

I want you to realize how important K-LOVE is to our community. I listen to it whenever possible and it lifts my spirit, as well as the spirit of others. I cannot imagine what our community would be like without K-LOVE. The people that work there are a blessing and encouragement to all. This is the type of music I want my children and grandchildren listening to. It is music for the entire family and you don't have to worry about turning the volume down or off because of the lyrics. If K-LOVE was not in my community, I don't know what I would do. K-LOVE is a positive radio station. Thank you for taking the time to read my comments and may God bless you.
